

New for 2025

Boat Lifts

In the past many members of the Boat Club paid a 3rd party to put boat lifts in and out. In an effort to simplify this process going forward, this will be handled through the Boat Club Secretary.

If you would like to have your boat lift, put in and out for the 2025 season:

- make sure your name is clearly labeled on your lift
- return the slip below to the Club Secretary with a check for \$150 no later than April 16th.

I would like to have my Boat Lift moved in and out at the Viking Boat Dock for 2025.

Name: _____

Type of
Lift: _____

Please attach a separate check for \$150.00 made out to "Viking Boat Club" with "Boat Lift" in the memo
